

Message from the President

November 2014

In today's world of Social Networking, blogs, clouds, tweets, twitter, and F.B. It's hard to believe any one puts pen to paper, but here goes!

We are the kind of community that still has conversations at the P.O. about the weather and what's going on in the world! We wave as we pass each other on the road, help people who need it, even if it's just a hug.

What makes our community great – the people, and that's why our events like the rummage sale and BBQ do so well. The rummage sale success comes from you, the volunteers and donations. Without your help we wouldn't exist. The Bar B Q which hundreds of people come to for the great food, raffles, and beautiful baskets Sherry spends so much time on, the music, would not be successful without it's volunteers and patrons.

Having these events helps us do things for the community center, like the new storage shed, which is thanks Dave and Lynn for their hard work. We, also, purchased a dough machine to help the sopapilla crew. A big thanks to Karen for driving to NM to pick it up, and giving it a thorough cleaning, and to Bob Bullard for making parts that it needed. Also, we are setting up a scholarship fund for RVHS which will help our High School seniors. A big thank you to Claire for getting it set up. Also we have made donations to Meals on Wheels, the Senior Center, and the dog rescue to name a few. If there are any programs or someone needs help let us know.

The year has been busy and gone by fast, Fall is here, Thanksgiving is coming, and Christmas is right around the corner. So, please join us for our annual Christmas Party on December 13. We would love to see everyone.

Have a blessed Christmas and New Year!
Sandi Springhower

It is the purpose of the NCA to promote projects for the benefit and betterment of the community of Nutriosos

\$ Treasury Notes \$

The NCA treasury funds continue to do well. Increases in the cost of food and supplies each year require that we be extra conscientious and strategic in our spending to ensure the annual BBQ continues to be a successful fundraiser. Once again this year our rummage sale was a great success and almost as profitable as the BBQ. Our major expense for the year was the construction of a new storage building on the community center property which was completed in June. Steps for the man-door and a ramp for the garage door will be installed to complete this project.

2014 Highlights

BBQ Raffle and Silent Auction

The Raffle and Silent Auction, held during the barbecue was a success. We'd like to thank you for the great donations. And we look forward to the coming years and the generosity of our neighbors to make next years, bigger and better.

41st Annual BBQ

What a great time was had by all at this years BBQ. We served over 650 folks. Our volunteer support was great. Through hours of preparation (setting up tents, cooking, making beans and slaw, and of course sopapilla). **THANKS VOLUNTEERS!!!**

Bake Sale

For all of you with a sweet tooth, thank you! The bake sale held in June, was a huge success. The pies flew off the tables and we even had some new creations to share. Thank you for your donations and we look forward to sharing at the next bake sale.

Rummage Sale

The annual rummage sale held the last weekend in June, was another great success in spite of a mix up of dates. With lots of donations and incredible volunteers, things went smoothly. Thanks to all those who donated items and to the senior center for picking up the remaining items.

Welcome Back

The Welcome Back Potluck which was held on May 30th, had a great turnout this year. We had over 90 people that gather together to say "hello" and "welcome back" for the summer. We have been doing the welcome back now for a few years and we believe all enjoy the time to get reacquainted and make new friends. The Welcome Back is a great opportunity to meet your neighbors. We hope to see you at the Potluck next year.

Volunteers Make It Happen

The NCA is successful because of our many volunteer hours put into each event. Each year it seems we have a few less volunteers with people moving, on vacation, etc. So please keep in mind all the events the NCA has and if you have time and can volunteer, we sure would appreciate it. It is a lot of work, but, oh, so much fun!

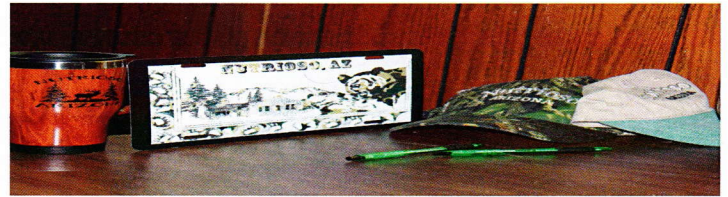

Great big thank YOU to all those that do activities to support the NCA.

Thank You

The Thank You Potluck was held on Saturday September 13th. The NCA could not do or hold events without you the Nutriosos Residents. This year we had a Mexican theme and had beef tacos & bean tostados for all to enjoy. Everyone brought a dish to share with their neighbors. The NCA Board truly appreciates all your efforts, input and contributions to our association and community.
