Love To Watch You Shop!

The raffle and silent auction were a great success this year! Everyone enjoys the bidding and excitement of taking their chances! It actually got a little competitive in the tent! We couldn't have this much fun without your donations, so thank you! Come in and join the fun at our next BBQ!

Sherry's Café was quite popular with many food items offered!

A Special Shout out to one of our own Nutriosio Businesses! The Haybarn, thank you to Dave and the Crew ! All your help was greatly appreciated for the BBQ.

There is nothing I love more than a sense of pride in my community and with my neighbors. This is one of the biggest reasons why I chased my folks into retirement here in Nutrioso! My parents raised me to help your neighbors out, and to think of someone other than myself. This is why my own family, (husband and kids) always help out in every way we can for the Nutrioso Community! Since being here, I have watched this community take care of each other, help each other, and pitch in when needed at the Community Center for events such as the Rummage Sale and the BBQ all for the good of the community. Thank you neighbors for being the example that I was looking for in this community where I chose to raise my family. Here is to 2019 being yet another year of selfless giving, and looking out for one another!

All Events throughout the year are open to ALL Nutrioso Residents, not just NCA Members! Please keep that in mind when you see Potlucks and Christmas gatherings and come join us!
